MEMORANDUM FOR: Director of Central Intelligence  
VIA: Deputy Director of Central Intelligence  
FROM: Executive Director  
SUBJECT: President's Foreign Intelligence Advisory Board Meeting

1. The PFIAB staff, at the request of Anne Armstrong, asks that you provide the Board with comments on the report prepared for the President when you meet with the Board on 8 September. The staffer noted that the report went only to the President, Judge Clark and yourself and, as a number of the Members put considerable work into its preparation, it would be helpful to the Board if you would comment.

2. The report is attached along with a written response from you prepared by [redacted] I recommend that you comment STAT informally to the Board on the several major topics which the various panels addressed rather than replying to the Board's report in writing. I would assume that you might want to say something slightly different about the Abshire panel conclusions and maybe those of the Cherne panel than the modulated acceptance of those by the IC Staff.
